

Go Wild with the Lions

Plant with a Purpose:

We hope you'll go wild with the Lions by planting your free wildflower seed mix. Our environment is more than a background: it's our home and we're committed to caring for it. In Virginia, Operation Wildflower began in 1976 and the Pollinator Program began in 2015 to support pollinators such as bees, birds, butterflies, and insects who are essential to our food chain. These birds and insects are attracted to the vibrant colors of Virginia wildflowers. You can support the effort by planting seeds in your home garden.

To learn more please visit the Virginia Department of Transportation website:

https://www.virginiadot.org/programs/pollinator_habitat_program.asp

Southeastern Wildflower Seed Mix:

Spring is the most conventional time of the year to plant, but many gardeners plant wildflowers in the fall to get a jump on the spring blooms. The general rule of thumb when locating your site is "the more sun the better". Prep the soil by removing unwanted grass, leaves and growth. Then loosen the soil and distribute the seed evenly. Lightly compress the seed about one-half inch. For further planting instructions visit the Eden Brothers website at: <https://www.EdenBrothers.com/planting-guides>

(This bulk seed was purchased for repacking for the purpose of this project. This is not an endorsement by the Lions of District 24-I of this company.)

Seed Disclaimer:

Just in case, we've included a seed disclaimer for the free wildflower seeds you received from the Lions Clubs of District 24-I.

Limitation of Warranty and Liability and Use Restriction. Any person(s) who handles, receives, opens the package(s) or uses these free seeds in any way, shape or form (collectively the "user" thereby accepts and agrees to this limitation of warranty and liability and use restriction) "agreement" between the "user" and the "Lions Clubs of District 24-I" "User" agrees to take full responsibility and total liability for any issues occurring from the use, planting or handling of free seeds gifted from the "Lions Clubs of District 24-I" If "user" does not accept these terms, "user" must return the seeds in the original unopened package to the "Lions Clubs of District 24-I" within 30 days. We hope all this legal speak doesn't discourage you; After all the seeds are free and we're so excited about this project we almost wet our plants!

Lions Clubs of District 24-I : <http://lionsdistrict24i.org/index.html>

Lions Clubs of District 24-I serve communities throughout Central and Southeastern Virginia. We support service projects in the five global causes of Lions Clubs International including: Childhood Cancer, Diabetes, Environment, Hunger, and Vision. Local Lions Clubs also run projects tailored to the specific needs of their individual communities. To learn more about our mission visit our webpage at:
