Results of Vision Screening

PASS

Dear Parent,

Date _____

Your child _____

was screened today for possible vision problems by trained volunteers from the Lions Club.

No serious vision problems were detected, but it is important to realize this screening does not replace the need for a professional eye examination.

It is recommend that vision screenings and professional eye examinations should be part of regular health examinations for children.

If you have any questions about this screening, please feel free to contact the Lions District 24-I Children's Services Chairperson, Lion Margene Hartsough at margene234@aol.com.
