

Lions' Bag Hunger
Club Commitment Form

We're looking forward to serving our communities throughout District 24-I by assisting local food pantries and FoodBanks with a district-wide food drive in January in support of Lions Clubs International Hunger Awareness Month. If this timeframe doesn't fit with your club calendar you can run the project at any time. Please fill out this form (typed) and return it to PDG Beth Stevens, GST at lionstevens@cox.net by November 12, 2021. The grocery bags and stickers will be distributed at Fall Conference, November 19 – 20, 2021, in Farmville, VA. Please make arrangements for bag delivery with your Zone or Region Chair if you are not going to attend conference. A Lions' Bag Hunger Project Planner is available on the district website at lionsdistrict24i.org
